Normative Issues in Neuroimaging
(Organizers: Henrik Walter and Sabine Müller, Charité-Universitätsmedizin Berlin)

**Wednesday, July 20th, 2011**

09:00  Henrik Walter: Welcome and Introduction

1. **Section: Legal issues of neuroimaging**
   09:30  Timothy Caulfield (Edmonton, Canada): Neuroimaging, incidental findings and liability
   10:15  Caroline Rödiger (Bonn, Germany): Informed Consent: The researcher’s legal obligations
   11:00 Coffee Break
   11:30  Laura Klaming (Tilburg, Netherlands): The influence of neuroscientific evidence on lawsuits
   12:15  Tade Spranger (Bonn, Germany): Seduction of the courts? Brain images in the legal landscape
   13:00-14:30 Lunch

2. **Section: Neuroimaging and pedophilia**
   14:30  Klaus Beier (Berlin, Germany): Pedophilia: A clinical and prevention perspective
   15:15  Martin Walter (Magdeburg, Germany): Neuroimaging of pedophilia: An empirical perspective
   10:30 Coffee Break
   16:30  Sabine Müller (Berlin, Germany): Neuroethical problems in the treatment of pedophilic Parkinsonian patients with Deep Brain Stimulation
   17:15  Henrik Walter (Berlin, Germany): The neural basis of pedophilia: A neurophilosophical perspective
   20:00 Dinner

**Thursday, July 21th, 2011**

3. **Section: The impact of neuroimaging for the legal responsibility**
   09:00  Hans L. Kröber (Berlin, Germany): Is sexual abuse of children a brain disease?
   09:45  Thomas Nadelhoffer (Duke, USA): Neuroscience, Prediction, and the Law
   10:30 Coffee Break
   11:00  Steven Penney (Edmonton, Canada): Neuroscience and diminished responsibility in criminal law: Canadian and comparative Approaches
   11:45  Gardar Arnason (Hannover, Germany): Neuroimaging, dispositions and criminality
   12:30-14:30 Lunch

4. **Section: Ethical issues and social impact of neuroimaging**
   14:30  Amedeo Santotuosso (Pavia, Italy): The EANL as a new forum for the neurolaw debate
   15:15  Tuija Takala (Helsinki, Finland): Personality, personal identity and advances in neurosciences
   16:00 Coffee Break
   16:30  Christen Rachul (Edmonton, Canada): The rise of neuroskepticism
   17:15  Final Discussion
Conference Venue:
Kaiserin-Friedrich-Haus
Robert-Koch-Platz 7
10115 Berlin-Mitte
Germany
